Text in Community

Tuesday, May 14, 7:30p (Zoom)

Join us for a discussion of Kristin Hannah's "The Women". Frankie McGrath is a young woman from a wealthy California family who decides to enlist as a nurse in Vietnam, serving in a war-ravaged country and working under horrific, dangerous conditions. When Frankie returns to the U.S., the atmosphere is hostile to veterans and dismissive of women's contributions in the war. It's a story about patriotism, friendship, remembrance, and defying expectations.
